Dear Mrs Jones,

I am writing to make you aware of a new campaign called **#FCCBeKindOnline** which will launch on Flintshire's website on Tuesday 8th February 2022 and coincide with Safer Internet Day 2022.

The aim is to raise awareness of responsible use of the internet and social media and end cyber bullying in our communities. Be kind online is a simple but important message that unfortunately can get lost in the millions of online communications made each day. The Council wishes to demonstrate its commitment to this message and encourage everybody to embrace respect, empathy, and kindness online. The campaign will also promote the safe and positive use of digital channels when communicating with Council services.

The dedicated web page on the Council site aims to raise awareness of the **#FCCBeKindOnline** message and encourage people to pledge. We have designed five pledges for each of the following categories:

- an Individual (young person or adult) living in Flintshire
- a Flintshire School
- a Flintshire Business
- a Club or Community organisation in Flintshire

We would like to encourage Town and Community Councils to get involved by taking the Club or Community Organisation **#FCCBeKindOnline** pledge. As a Community Council you can promote this message with your constituents by including information in your newsletters and social media platforms. There is a template **#FCCBeKindOnline** Pledge card which can be used as a tool to promote discussion about the 'be kind' message and councillors and individuals can come up with their own personal pledges. Photographs of councillors or individuals with their pledges can be shared online using the hashtag **#FCCBeKindOnline**.

FCC PLAY SUFFICIENCY ASSESSMENT 2022

Dear Clerk,

I hope you are well?

Can I please ask if it is possible for your Council to prepare a local response to our Play Sufficiency Assessment 2022?

There is a deadline for any responses by the 22nd April to allow the Local Authority the opportunity to collate all of the details, with regard to preparing the best possible response for Welsh Government.

Please find attached a short survey, to assist us in evidence-gathering and identifying any priorities for the County?

We are seeking your councils views on any of the matters?

It is for the Local Authority to complete the PSA 2022 template as a draft document which will then proceed through the political process in June and July following the elections. This provides a 'snapshot' for Welsh Government.

Your input will be much appreciated, to assist us in ensuring that this process is meaningful.

Please do not hesitate to contact me, if you require any further information at this stage?

Thank you,

Regards, Janet

The Local Authority has erected signs, such as Play Priority Signs to encourage more children playing in the community

The Local Authority includes a recognition of the importance of playing fields to children's play when any disposal decisions are made

The Local Authority includes children and their families in any consultations regarding decisions to dispose of playing fields

The Local Authority refers to guidance around creating accessible play space when refurbishing or developing new playgrounds

MATTER C - Please Enter Your Council's Comments

Matter D: Supervised provision

The Local Authority should aim to offer a range of supervised play provision.

Local authority sport, physical activity, and active recreation plans are contributing to increasing free play and recreational activities

The sports agenda contributes to the provision of sufficient recreational activities for children

The cultural and arts agenda, is contributing to the provision of sufficient recreational activities for children

The Local Authority Youth Service provides for children's opportunities for leisure and association

MATTER D – Please enter Your Council's Comments

Matter F: Access to space/provision

The Local Authority should consider all the factors that contribute to children's access to play or moving around

MATTER F - Please Enter Your Council's Comments

Matter H: Community engagement and participation.

The Local Authority should consult widely with children, their families and other stakeholders on their views on play provision. It should also promote wide community engagement in providing play friendly communities.

The Local Authority promotes initiatives to engage relevant groups in enhancing play opportunities for children in its area.

The Local Authority promotes community engagement in:

Making space available and suitable for play

Organising play events
